

Fairy Lights

Flexible to arrange

Available in different types

ELEGANT

MIKE VEKRIS

wedding entertainment specialists

Fairy Lights are one of the best options you can use, in order to give a more fairytale touch to your wedding venue. They can be applied into different types of arrangements, therefore giving you capabilities you can hardly find in other types of decorative lighting. Their main purpose is to stimulate a romantic setting or to reveal specific details of the surrounding area.

Features

- Colors: Warm White or Cold White
- Length: Unlimited
- Layout: Vertical or Horizontal
- Can flash or stay still
- Also available in battery operated mode
- Installed by Certified Technicians
